

Methods for pruning phylogenetic trees

Contribution of the authors

We, the undersigned Dániel Hegedűs and Márk Hunor Juhász, declare that we have participated in the following work processes for the paper submitted to the 37th OTDK (Methods for pruning phylogenetic trees):

Subtask	Extent of participation
Study the TreeShrink algorithm and the related article	5
Developing the CPA and the PSFA algorithms	5
Experimenting with the combined algorithms	5
Implementing the algorithms	5
Creating the figures and tables in the paper	5
Testing the algorithms	4

Date: Budapest, 2025.01.10.
