

AUTHOR'S CONTRIBUTION

I, **Csipkay Krisztina** hereby declare, that in my thesis work for the 37th OTDK named **Conserved C-terminal segment of human single-stranded DNA-binding proteins facilitates protein condensation** I participated in the following works:

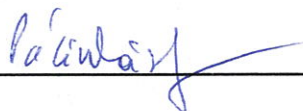

Partial tasks	Degree of participation
<i>Amino acid sequence alignments of studied proteins</i>	5
<i>Molecular cloning</i>	4
Designing PCR primers	3
<i>Protein preparation</i>	5
<i>Epifluorescence microscopy experiments</i>	5
<i>DIC microscopy experiments</i>	2
<i>Processing microscopy images</i>	5
<i>Fluorescence anisotropy measurements</i>	5
