

AUTHOR CONTRIBUTION

I, the undersigned **Németh Rita Mónika**, declare that I have participated in the following work processes for the paper submitted to the 37th OTDK **Establishing knockout cell lines to examine the cellular function of human single-stranded DNA binding proteins**:

Subtask	Extent of participation (on a five-point scale)
sgRNA and primer design	5
cDNA insertion, and plasmid transformation	5
T7 assay	4
Cell culturing	3
Western blot	2
FACS	1
Fluorescence imaging	1

Date: Budapest, 2025.01.15.

Németh Rita

Student submitting the TDK paper (Németh Rita Mónika)
