Tételes szerzői hozzájárulás

Alulírott Kardos Dorottya Virág a dolgozatban leírt munkafolyamatok közül a:

- sejtek jelölését
- áramlási citométerrel történő mérést, a témavezető felügyelete mellett
- mérési eredmények analizálását
- statisztikai elemzés készítését az SPSS program segítségével
- box-plot diagramok készítését

végeztem el.

Pécs, 2014.07.10.
