Ryanair Customer review : 3 November 2014 by Jean Mann (UK)

Rating : 10/10		Flew from Birmingham to Barcelona last month, excellent flight and service. Arrived ten minutes ahead of schedule. We fly with Ryanair at least six times a year and have never had a problem. Yes - there are a few rules and regulations but if you abide by them there shouldn't be any problems. We are flying to Dublin next week, return ticket less than a one way train fare to London! The added advantage of being able to take two bags as hand luggage has come as a real bonus.
