

I. Köszönetnyilvánítás

Köszönetemet fejezem ki témavezetőmnek Prof. Dr. Pesti Miklósnak, hogy biztosította a kísérletekhez szükséges feltételeket.

Szeretném megköszönni témavezetőmnek Máté Gábornak mind a laborkísérletekben, mind pedig a téma szakirodalmi feldolgozásában nyújtott lelkiismeretes segítségét, valamint a hasznos gyakorlati és elméleti tapasztalatainak átadását.

Köszönettel tartozom Dr. Gazdag Zoltán témavezetőmnek a labormunka végzéséhez nyújtott hasznos szakmai tanácsaiért és segítségéért.
