

Köszönetnyilvánítás

Köszönöm a segítséget dolgozatom elkészítésében témavezetőmnek, Prof. Dr. Melegh Bélának, illetve konzulensemnek, Hoffman Gyulának.

Köszönök mindent Bánfai Zsoltnak, Duga Balázsnak és Szabó Andrásnak, akik tapasztalatukkal és támogatásukkal, valamint elméleti és gyakorlati tevékenységükkel segítették munkámat. Továbbá köszönettel tartozom az Orvosi Genetika Intézet minden munkatársának.
