KÖSZÖNETNYILVÁNÍTÁS

Szeretnék köszönetet mondani Dr. Hideg Évának (PTE TTK Növénybiológiai Tanszék), témavezetőmnek, hogy lehetőséget biztosított és segítséget nyújtott munkám sikeres elvégzéséhez és dolgozatom megírásához.

Köszönöm Dr. Teszlák Péternek (PTE, Szőlészeti és Borászati Kutatóintézet) a szőlőlevél fajták megválasztásában és a mintagyűjtésében való segítségét.

Köszönöm Csepregi Kristófnak (PTE, TTK Növénybiológia Tanszék) a laboratóriumi mérésekben való szakmai közreműködését.

Köszönetem fejezem ki, a Növénybiológiai Tanszék PhD hallgatóinak a kísérleti munka során felmerült nehézségek áthidalásáért.
