

ANNEX 2
36TH NATIONAL STUDENT
SCIENTIFIC CONFERENCE
BIOLOGY SESSION

AUTHOR'S CONTRIBUTION

I, *Anu Bazarragchaa*, hereby declare to have participated in the following tasks regarding my study titled "Near-complete genome assembly and annotation of a *Saccharomyces cerevisiae* wine strain utilizing third generation sequencing" submitted to the 36th National Student Scientific Conference:

Subtask	The extent of the contribution (in a five-point scale)
<i>DNA extraction and purification</i>	4
<i>Library preparation and sequencing</i>	4
<i>de novo Genome assembly</i>	4
<i>Genome annotation</i>	4
<i>Quality check/ statistical analysis</i>	5
<i>Assembly and annotation pipeline comparison</i>	5
