

ANNEX 2
36TH NATIONAL STUDENT
SCIENTIFIC CONFERENCE
BIOLOGY SESSION

AUTHOR'S CONTRIBUTION

I, *Cheung Teur Teur Sally*, hereby declare to have participated in the following tasks regarding my study titled *Genome-centric metagenomics and metatranscriptomics analysis of a Hungarian state-of-art biogas plant microbiome* submitted to the 36th National Student Scientific Conference:

Subtask	The extent of the contribution (in a five-point scale)
<i>Sample collection</i>	2
<i>DNA/RNA isolation, quality control, preparing for sequencing</i>	5
<i>Analysis of raw sequences according to the workflow</i>	3
<i>Performing bioinformatics and correlation analyses</i>	4
<i>Statistical processing of data</i>	5

Dated on: *January 24th, 2022*
