Dear Dr. Maurovich-Horvath,

It is our pleasure to inform you that your abstract (control no.:7787) entitled „Prediction of the presence of significant coronary artery disease using 256 slice coronary CT angiography“ was accepted for EPOSTM, ESR's Electronic Presentation Online System!

Congratulations!

To make your presentation part of the electronic scientific exhibition, you are now kindly asked to

1. confirm your publication / balance the publication fee and
2. upload your poster material (text, images, movies, etc.) to EPOS™ (ECR 2012 Poster submission deadline: 31.01.2012)

Poster confirmation / Publication Fee:

Authors benefit from their EPOSTM publications all year long. The first publication is free of charge, for subsequent posters there is a small publication fee to be paid by the submitting author. The charge is €25 per poster for ESR members or €45 per poster for non-members.

The poster confirmation / publication fee includes:

- Activation of poster upload to the EPOSTM system
- Online publication of the poster as soon as the editorial office has approved of the submitted poster
