Dear Nikolett Ujhegyi,

We are pleased to inform you that your submission for a presentation was accepted!

Your ID - your abstract title:

1568 - BROWN HARE AS AN INDICATOR SPECIES FOR AGRI-ENVIRONMENTAL
PROGRAMS IN HUNGARY

However, due to a record number of abstract submissions this year (2,111 in total), we had to make adjustments and your presentation has been changed from an oral presentation to a **poster presentation**. We hope this does not alter your intention to attend and present; acceptance in any format to this Congress was highly competitive.

→ Due to the long waiting list, we request that you email us by Monday, March 30th by 5PM CET at abstracts-decisions@iccb-eccb2015.org if you have decided NOT to accept this presentation offer.

→ There is no need to email us if you accept this change in format for your presentation and the offer.

You must also [register](#) for ICCB-ECCB 2015 by the early bird registration deadline of Friday, May 1st to finalize your presentation spot.

We will rescind your presentation acceptance if you do not register by the early bird deadline.

Congratulations on your well-earned acceptance and we look forward to your presentation in August!

Remember to follow [@ICCB_ECCB](#) on twitter and like us [on Facebook](#) for the latest news and views from the Congress. There is also an ICCB-ECCB [Facebook Event](#), which you're encouraged to join. ICCB-ECCB will be live-tweeted, but don't wait until you get to Montpellier to join the conversation. Start now! Use the official Congress hashtag in your tweets: [#ICCB2015](#).

Sincerely,

Scientific Committee ICCB-ECCB 2015

P.S. August is a busy month for tourism in France. The sooner you [book your accommodations](#) in Montpellier, the better your chances of finding a room that's convenient to [Le Corum](#), the congress venue. Find discounted rates on airfare to Montpellier on the [Official Carrier](#) page of the ICCB-ECCB website.
