

IV Summer School on Statistical Physics of Complex and Small Systems

IFISC, Palma de Mallorca, Spain

September 8-19, 2014

CERTIFICATE

This is to certify that

Dávid Deritei

has attended the **Fourth Summer School on Statistical Physics of Complex Systems**, organized by IFISC and promoted by the Topical Group on Statistical and Non Linear Physics of the Spanish Royal Physical Society. The attendant has paid a registration fee of 100€ (euros).

The School was held in the campus of the Universitat de les Illes Balears in Palma de Mallorca (Spain) from September 8 to 19, 2014 and included a total of 60 hours of lectures and hands-on sessions.

The participant has presented a contribution (poster and short oral summary) entitled:

"Community detection by graph Voronoi diagrams"

Palma de Mallorca, September 19th, 2014
