Admission to the CEMS MIM Programme

Certificate

We hereby confirm that *Ms Edit Welsz*, born November 01, 1991, has been accepted for the CEMS MIM Programme 2015/2016 at Corvinus University, Hungary (Term 1, 2015/2016) and at ESADE University, Spain (Term 2, 2015/2016).

CEMS is a global alliance of 29 leading business schools and over 60 corporate partners. Its central focus is the CEMS Master's degree in International Management (CEMS MIM), grounded in academic excellence and cultural diversity. By joining resources of leading universities and corporations, CEMS develops the global standard in management knowledge and education.

Students admitted to the CEMS MIM Programme have shown outstanding academic achievement, interpersonal competencies, a desire to achieve and personal integrity.

During the course of the one-year CEMS MIM programme, students will spend one/two term(s) at one of the 28 CEMS full member schools. They will attend a Block Seminar led by an international group of professors and specially designed courses that both fulfil the criteria of being interdisciplinary, international and interactive, always closely involving and linking academic and corporate experts in preparation and teaching. The students will participate in skill seminars and in a consultancy-like business project where a real life complex business problem is solved in an international student team.

Students have to attend an internship abroad on a first job level for at least ten consecutive weeks before they finally obtain their CEMS diploma at the end of their home studies.

We wish *Ms Edit Welsz* every success in her academic career and all the best for her future.

Yours sincerely,

A handwritten signature in blue ink, reading "Richárd Szántó".
