Subject: Acknowledgment of Applied Optics submission

Manuscript ID: 188865

Title: Polarization weakening and neutral point displacements in sunlit and moonlit skies due to smoke aerosols arisen from burning vegetation

Author: Gabor Horvath; Eotvos Lorand Tudomanyegyetem

Dear Gabor Horvath:

Your recent submission to Applied Optics has been received successfully and will now enter the peer-review process. The date of this message is the official receipt date for your manuscript. OSA will inform you when further action is required.

For questions concerning your submission, you may contact the office by e-mail at aomss@osa.org or by telephone at (202) 416-1918.

If you indicated that a signed Transfer of Copyright Agreement would be returned to OSA, please be sure to mail or fax us a copy of the form. The form can be found on the APPLIED OPTICS website at http://www.opticsinfobase.org/ao/submit/review/copyright_permissions.cfm.

You will find information about OSA's ethical guidelines and an important message about OSA's Plagiarism Policy at the following website:

<http://www.opticsinfobase.org/ao/submit/review/ethics.cfm>

To check the status of your paper online, return to your author queue at

<http://prism.opticsinfobase.org>

Thank you for submitting your work to APPLIED OPTICS.

Sincerely, Nasser Peyghambarian

Applied Optics Division Editor
