Dear Colleague,

I acknowledge that we have received your contribution titled “STUDY ON THE ADSORPTION CHARACTERISTICS OF COBALT AND CESIUM FROM SOLUTION BY USING VIETNAMESE BENTONITE” by Le PHUOC CUONG, Pham HOANG GIANG, Bui DANG HANH, and Gergő BÁTOR. We will consider your manuscript for publication in the *Hungarian Journal Industry & Chemistry*.

Our decision regarding acceptance will be made after the due review process corresponding the standards of HJIC.

I hope you will submit manuscripts to HJIC in the future.

Yours sincerely,

Dr. Dezső Boda
Associate Editor
