Dear Dr Jedlovsky:

I have now received the reviewer's comments on your revised manuscript and I am pleased to tell you that it has been recommended for publication in Physical Chemistry Chemical Physics in its current form. The comments of the reviewer(s) who reviewed your manuscript are copied below.

Your paper has now been accepted for publication in PCCP. Proofs for correction will be sent to you by e-mail in due course.

If you have requested publication of the Accepted Manuscript, please note that this is in progress and the article should shortly be available online.

Please note that authors are responsible for the final proof-reading of manuscripts. It is imperative that you check your proofs (including any tabulated data and figures) very carefully. Proof corrections will need to be returned within 48 hours of receipt where possible. All corrections should be sent at the same time. Papers are published as Advance Articles on the web as soon as possible after we receive proof corrections from the authors. Late corrections cannot be incorporated after publication of the Advanced Article.

The RSC supplies PDF reprints of papers to authors for free. If you would like to purchase printed reprints of your paper, please visit <http://www.rsc.org/Publishing/Journals/guidelines/PaperReprints/index.asp> for full details.

RSC Publishing is pleased to offer increased choice to journal authors - accepted articles can be made openly available to all on the web, for a fee. For further details visit <http://www.rsc.org/publishing/journals/openscience/>

Finally, please note that all RSC journal authors are entitled to a 25% discount on RSC books – please visit <http://www.rsc.org/Shop/discounts.asp> for further details.

Thank you for your fine contribution. On behalf of the Editors of Physical Chemistry Chemical Physics, we look forward to your continued contributions to the journal.

Yours sincerely,

Dr Fiona Gillespie, MRSC
