Dear colleague,

based on the decision of the Program Committee of the
42nd International Conference of the Slovak Society of Chemical Engineering
which will be held at Tatranské Matliare in Hotel Hutník (Slovakia)
in May 25 - 29, 2015, we have the pleasure to inform you that your contribution

Effect of microfiltration membrane on the behaviour of dual-chamber microbial fuel cells (ID = 069)

1. author: L. Koók (PIN = 3654)

2. author: T. Rózsenszki (PIN = 3675)

3. author: P. Bakonyi (PIN = 3676)

4. author: N. Nemestóthy (PIN = 1662)

5. author: K. Béla-Bakó (PIN = 0957)

has been accepted as Poster
in the session Membrane Technologies

Detailed information about the conference programme, sessions, lectures and posters can be found at the
conference web page.

We urge you to check the correctness of your personal and contribution data
and as a next step please upload the abstract and fulltext as PDF or word files.
Any changes in personal or contribution data are allowed until April 15, 2015.

Sincerely,

Prof. Ing. Jozef Markos, DrSc.
Head of Programme Committee
