Dear Julia,

Congratulations! On behalf of Beloit College, it gives me great pleasure to invite you to study as an exchange student at Beloit College during the Spring 2011 semester. The members of the Admissions Committee join me in commending you not only for your accomplishments to date, but also for the potential we believe you have to succeed at Beloit and beyond.

Under the terms of our exchange agreement with your home institution, you will be enrolled full-time as an undergraduate student during your stay at Beloit. Included in the agreement is tuition in the amount of \$17,519; \$1,756 for room; and \$1,826 for board. You will be charged \$418 for health insurance at Beloit College. Please note that all exchange students must purchase the Beloit College health insurance plan. The College will bill you for this insurance. In each semester, we *estimate* personal expenses as follows: \$300 for books and \$450 for personal expenses. You should not plan to be employed on campus at Beloit College.

Enclosed with this packet is the DS-2019 Certificate of Eligibility, which you must present to the U.S. Embassy to obtain a J-1 Exchange Student Visa. As a student arriving from abroad, you should plan to check into your residence hall Thursday, January 13, 2011 for International Student Orientation. You may find it helpful to know that residence halls close May 11 at the conclusion of the academic year. The J-1 visa allows you to enter the U.S. 30 days prior to the start of your study at Beloit and remain in the U.S. for 30 days at the conclusion of your study.

Please provide complete details of your travel arrangements as soon as your plans are confirmed. Please send the information to our International Student Advisor, Josie Inaldo, at inaldoj@beloit.edu. Beloit College students will be at O'Hare International Airport on January 13 to assist you with transportation to Beloit College.

We very much look forward to welcoming you to Beloit College in January.

Sincerely yours,

Elizabeth Brewer
Director

P.S. Please pay careful attention to completion of the enclosed health form. These forms are mandatory and failure to complete these forms in their entirety will result in additional expense of at least \$100 and a delay in registration for courses.
