Subject: Acceptance of your contributed paper to LEI 2011 Conference in Szeged

Dear Dr. Kovács,

On behalf of the Laser Scientific Committee, we are pleased to advise you that your contribution to the Conference on Light at Extreme Intensities 2011 in Szeged, Hungary, has been accepted for **poster** presentation.

The pre-registration deadline has been extended to 17th October, 2011.

Please note that to encourage participation to the Conference and make it a representative forum of the ELI community, we kindly ask the participants to present up to one oral talk and one poster per registration only.

The draft conference program will be available by 17th October.
Please do not hesitate to contact us if you have any questions.

I look forward to meeting you in Szeged.

Sincerely,
Károly OSVAY
Chair of the organizing committee
