Dear Authors,

Thank you for submitting the manuscript titled "Application of eye-tracking to analyze a computer exam test".
The manuscript is accepted, further review is not required, but minor revision of the manuscript is necessary before it might be ready for publication in the edited book with Springer (entitled "Cognitive Infocommunications and Computing" within the series "Topics in Intelligent Engineering and Informatics").
You will receive soon the reviewer's comments.

Best regards,
Editors of the Springer book entitled "Cognitive Infocommunications and Computing"
