Subject: Letter of Recommendation

Issued by: Adam Hargitai; President of Consulting Club at Corvinus University of Budapest

23rd of February, 2013

Dear, Madam / Sir!

As the President of the Consulting Club at Corvinus University of Budapest, I work closely with many of the community volunteers. I consider Jozsef to be one of the most studious and responsible members of our organization, therefore he will be promoted to Vice President in the next semester.

Jozsef's leadership and organizational skills have been invaluable to these programs, most of which have been started from the ground up. In my opinion, Jozsef's unwavering devotion to his community exemplifies strong moral fiber and character. He is a trustworthy individual and would be an excellent candidate for your business school.

He has outstanding communication skills moreover, he is extremely well - organized and reliable. He works independently and he is also able to cooperate efficiently with his colleagues. Jozsef is flexible and willing to work on any project that is assigned to him. As a proof of his devotion to our Consulting Club, he was always among the first to volunteer to assist in other areas of organization, as well.

Jozsef is a dedicated member of Consulting Club community and has donated countless hours of his time to the organization. He has not only worked with members of the community, but he has also helped to implement plans and programs that will enrich the lives of those around him.

If you need any additional information you can feel free to contact me.

Yours sincerely,

Ádám Hargitai
