

12-14th September 2016

To Whom It May Concern:

This letter certifies that Gábor Csifcsák, Viktória Roxána Balla, Vera Daniella Dalos, Szilvia Szalóki and Tünde Kilencz attended the annual meeting of the British Association for Cognitive Neuroscience, held at the National Academy of Sciences, 12-14th September 2016. They presented a poster entitled: "Prediction mechanism in the visual modality: An ERP study".

A copy of the abstract is printed online on the BACN website:
http://www.bacn.co.uk/2016_conference.html

Yours Sincerely,

Professor Martin Edwards (BACN secretary)
