RE: Vienna Biocenter Summer School 2012

Certificate of Attendance

I hereby confirm that **Máté Borsos** attended the Vienna Biocenter Summer School and had a placement in the group of Kikue Tachibana-konwalski (IMBA) for nine weeks starting 28 June 2012. Mr. Borsos was assigned a project in the Tachibana-konwalski group and was required to give a 15-minute presentation at a symposium which was held at the end of the school on 31 August 2012.

If you require any further information do not hesitate to contact me.

Best regards,

Christopher Robinson

Summer School Administrator
