Dear Kinga Jentetics,

It is with great pleasure that I invite you to the Open Innovations Forum to be held on October 29 – 3 November, 2012.

You have been selected from a large number of applicants from all around the world, as the most prominent innovator in your field. We are very excited to welcome you in Russia and hope that this forum will lay the foundation to some great projects and ventures.

The Open Innovations forum will provide a unique platform to gain first hand insight into the innovations in Russia, engage in discussions and debates on issues affecting the entrepreneurial community. We are also looking to create a community of entrepreneurs and innovators from around the globe that will foster entrepreneurship in and with Russia.

With my very best regards,

Filip Perkon
Coordinator
International Youth Programme «100 Innovators Club»
