Subject: Certificate of participation to *Workshop on Virtual Observatory and Gravitational Wave observations*

To whom it may concern:

Gábor Galgóczi, currently graduate student at the Eötvös University, Hungary, participated to the workshop on Virtual Observatory and Gravitational Wave observations held in Strasbourg, France from May 31 to Jun 1st 2016 and organised in the framework of the H2020 European Asterics project. On Jun 1st 2016, Gábor gave a presentation of his thesis project entitled “Planned future development of GLADE”.

Eric CHASSANDE-MOTTIN
Chargé de Recherche CNRS
Co-chair of the workshop
