

Invitation for Dávid Guszejnov for the period of 11 – 25 August, 2010

To whom it may concern

I am writing to invite Dávid Guszejnov to visit the research group of Nuclear Engineering at the Department of Applied Physics, Chalmers University of Technology, for the period 11 – 25 August, 2010. The purpose of his visit here is development of the RENATE atomic beam diagnostics simulation code, in particular the extension of the code to three dimensions.

Yours sincerely,

István Pusztai
PhD student at
Applied Physics
Chalmers
