Ms. Gabriella Marosi
Institute of Human Physiology and Clinical Experimental Research
Semmelweis University
Budapest, Hungary

Dear Ms. Marosi,

Thank you for your participation at the 14th International Conference on Bioactive Lipids in Cancer, Inflammation and Related Diseases held July 12-15, 2015 in Budapest, Hungary. I would like to extend my congratulations for being selected to present your poster titled *Mechanisms of action of sphingomyelinase induced enhanced vasorelaxation in db/db mice*. For documentation purposes, the details of your presentation were as follows:

Presenting Author: Gabriella Marosi
Abstract Number: 164
Date of presentation: Tuesday, July 14, 2015
Poster Session: III
Poster viewing time: 9:00 AM - 6:00 PM
Poster discussion time: 3:30-4:30 PM

If you have any questions, do not hesitate to contact the conference coordinator at info@bioactivelipids.org. Additional conference details can be found on the conference website at: www.BioactiveLipids.org

Thank you again for your abstract submission and attendance at this year's conference.

Sincerely,

Kenneth V. Honn, Ph.D.
For the Executive & Organizing Committee
