Dear Livia Tiborcz,

We are glad to inform you that your full paper has been accepted for presentation at the International Youth Conference on Energy, to be held in Siófok from 6th June until 8th June, 2013.

We request you to upload all other necessary documents (Author CV, Copyright forms) as soon as possible, to help us with the preparation of the conference proceedings. Please note that your registration will only be considered as finalized upon receiving registration fee payment, and your full paper could be included to the proceedings after you have uploaded your signed and scanned Copyright form.

Please do not forget, that IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference.

Early deadline for payment is Friday, 4th May, however, there is a possibility to complete payment later, until 10th May, for a somewhat higher price. Payment methods will be available on the website in due time.

We would also like to offer you some other features of the website. Please take your time to read through the recommended accommodation possibilities (with booking forms available on the website) and our interesting events during the conference. Please finalize your registration in time!

We congratulate again for your successful application and look forward to welcoming you in Siófok.

Best regards,
Organizing Committee of IYCE 2013
