Access to library and computing facilities

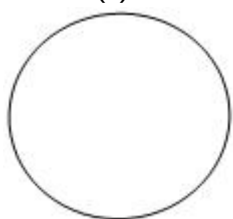

You have been assigned the following username and library number which, together with the personal password you have just selected, will enable you to access the University's library and computing facilities. Please keep this information in a safe place and do not divulge your user or password details to anybody else.

University of Bristol (UoB) username (login):	ma12300
University of Bristol email address:	ma12300.2012@my.bristol.ac.uk
Library PIN (Personal Identification Number):	3885
<i>If your Library PIN is not displayed here you may obtain it from any library issue desk when you arrive. You should use this PIN, in conjunction with your UoB username, whenever you access your library account.</i>	
<i>If you forget the password you have just created you may request a new one from the IT Help Desk in the Computer Centre when you arrive.</i>	

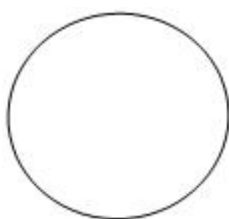

An information sheet about how to get started with library and computing facilities is available:
