

LJUBLJANA, SLOVENIA
JULY 17-21 2017

Liquids 2017

10TH LIQUID MATTER CONFERENCE

Abstract number: 898

18 April 2017

Mónika Valiskó
University of Pannonia

Dear Dr. Valiskó,

We are pleased to inform you that your abstract entitled **Using nanopores as sensors: a Monte Carlo modeling study** has been accepted for **poster presentation** at the 10th Liquid Matter Conference to be held at Cankarjev dom Cultural and Congress Centre in Ljubljana, Slovenia, between 17 and 21 July 2017.

All abstracts will be published in the electronic version of the book of abstracts, which will be made freely available at the conference webpage.

INSTRUCTIONS FOR POSTER PREPARATION

The size of poster boards is 140 cm (height) × 95 cm (width), suitable for A0 posters in portrait orientation. Posters will be displayed in the congress centre foyers. Display boards will be numbered. Presenting authors are requested to be available for discussion next to their posters during the scheduled time. You will find the number of your poster board in the programme book while the double-sided tape will be provided at the registration desk.

REGISTRATION

We would like to kindly remind you to complete your registration procedure by choosing the registration fee and settling your payment. The registration can be completed by using your access key **4VR8RSM73** and logging in the [speakers portal](#). If you have already settled the payment, please disregard this reminder.

To register please press the **“Register”** button in the top navigation icon in the Speakers' Portal.

The organizers will publish only the abstracts submitted by authors who will settle their registration fee by 15 June 2017.

Should you have any question or request for additional information, please do not hesitate to send an e-mail to abstract@cd-cc.si.

I am looking forward to meeting you in Ljubljana soon,

Sincerely,

Igor Muševič,

Chair of Liquids 2017

Cankarjev dom, cultural and congress center
