COST Action CM1404 SMARTCATs

Management Committee

**Letter confirming completion of Mr. Márton Kovács from the ELTE
Eötvös Loránd University, Budapest, Hungary, the SMARTCATs STSM**

Dear Management Committee

I hereby confirm that Mr. Márton Kovács from the ELTE Eötvös Loránd University, has successfully completed the Short Term Scientific Mission (STSM) at our Division of Combustion Physics at Lund University in Sweden in the period from 24/03/2019 to 07/04/2019 for the Action "CM1404-Chemistry Of Smart Energy Carriers And Technologies" (SMARTCATS).

I declare that the SCIENTIFIC REPORT submitted by Márton Kovács titled "Determination of laminar flame velocities of alternative fuels using HFM" is fully satisfactory and the results achieved are coherent with the goals of the STSM.

Sincerely,

Prof. Alexander A. Konnov
