I am pleased to inform you that on the basis of your submission the reviewers accepted the above for oral presentation at the International Journal of Arts & Sciences' (IJAS) International Conference for Academic Disciplines which will be held at Ryerson University's International Learning Center at 240 Jarvis Street, Toronto (May 20-23, 2013). The conference follows the multidisciplinary TED format (<http://www.ted.com/>).

In order for IJAS to remain in compliance with Canadian immigration laws, it is imperative that delegates enter Canada in an appropriate non-immigration status. American, Australian and EU citizens do not need a visa to enter Canada for the conference. If you require a visa to enter Canada, please present this letter at a Canadian Embassy or Consulate with your non-immigrant visa application and passport.

For your submission to appear in one of our refereed ISSN-numbered publications, please format your work in line with this template <http://www.internationaljournal.org/template.html>. There is no limit on the number of pages. Email your properly formatted abstract/paper only to ManuscriptSubmission@gmail.com. Please make sure that it is in Microsoft Word and that the above "Research ID" is included in all your future emails' Subject line.

As a professor at Central Connecticut State University, I witness firsthand the benefits of international education emanating from study abroad programs. The conference will highlight these benefits while offering you a forum to share your specialized research with international professors.

We look forward to your presentation.

Sincerely,

Professor Joseph Bonnici, PhD, JD
