ERASMUS+ Key Action 2 – Strategic Partnerships

“Forecast Engineering: From Past Design to Future Decisions”

Project ID: 2016-1-DE01-KA203-002905

This is to certify that

Gábor Németh

attended the

M.Sc. Course:

**Nonlinear Analysis of Structures: Seismic Response of RC Bridges –
Blind Prediction**

in the time from April 23rd to 27th, 2018

at the University of Ljubljana,

Faculty of Civil and Geodetic Engineering (UL FGG), Slovenia

as part of the above stated project under ERASMUS+ Key Action 2 – Strategic Partnerships.

Date: April 27th, 2018

Tatjana Isaković

Prof. Dr. Tatjana Isaković,
course coordinator at UL FGG
