Dear Mr. Len Ellis,

In the attachment I send you a new contribution to Journal of Bryology, the discovery of *Buxbaumia aphylla* in Croatia. You can find the affiliations of the authors in a separate document. Please, let me know if there is need for amendments or you need some other informations!

Best wishes,

Judit Deme
University of Pécs
Hungary

Dear Dr Judit Deme,

Thank you for your contribution to 'New national and regional bryophyte records'. I shall include it in my next submission of the column to the *Journal of Bryology*.

Best wishes,

Len Ellis
