Dear Pal Varga,

We are pleased to inform you that your submission Inter-Cloud Communication through Gatekeepers to Support IoT Service Interaction in the Arrowhead Framework has been accepted for publication in Wireless Personal Communications

However, before your paper can be forwarded to our Production Department, you are requested to make the corrections as suggested by S.I Global Wireless Summit (GWS-2015)

You are requested to submit final version/camera ready copy after incorporating Reviewer's comments, latest by March 15, 2017 to the site, where you had submitted the extended version. Please read the instructions to the authors very carefully while submitting.

Please make sure you upload the Editable files of your submission, not providing your editable files will delay the forwarding of your manuscript to production.

If for some reason, the PDF built by our system does not display correctly, include then a PDF of your submission along "with" the source files.

In order to submit your corrected manuscript, please access the following web site:

<http://wire.edmgr.com/>

Your username is: pvarga

Your password is: available at this link

http://wire.edmgr.com/Default.aspx?pg=accountFinder.aspx&firstname=Pal&lastname=Varga&email_address=pvarga@tmit.bme.hu

You should upload your manuscript under the same manuscript number, please do not submitted as a new manuscript, as it won't be considered as part of the special issue.

We look forward to receiving the final version of your manuscript.

With kind regards,

S.I Global Wireless Summit (GWS-2015)
Wireless Personal Communications
