Hello,

Thank you for your interesting poster submission to the IAU Symposium #344: Dwarf Galaxies from the Deep Universe to the Present. On behalf of the SOC, we are happy to offer you the opportunity to present your work as a poster presentation.

If you applied for financial support, the IAU Local Organizing Committee plans to notify recipients of grants later this week. If you can no longer attend the conference or cannot prepare a poster on your submission, please find the IAU cancellation policy here:

<https://astronomy2018.univie.ac.at/registration/>.

We look forward to hearing more about your work at the symposium,
Sabrina Stierwalt & Kristen McQuinn (on behalf of the SOC)

Sabrina Stierwalt
