Information about the Traineeship Programme

Description of the planned task:

The Roswell Park Cancer Institute and Dent Neurological Institute has entered into an agreement with the four Hungarian medical universities that teach medicine to provide 12 week credit-bearing senior electives to medical students who are in their 6th year of education. The purpose of the Program is to facilitate the exchange of students as well as experience and knowledge between the involved medical universities. With this program the HMAA contributes and provides broad medical knowledge to young Hungarian

physicians who are entering the Hungarian health care system.

Planned aim(s): Borbála aims to complete the following rotations: 3 weeks of Medical Oncology (gastroenterology, hematology), 5 weeks of Obstetrics and Gynaecology and 4 weeks of Neurology.

Planned duration 3 months (min 2 months and max 5 months within an academic year)

Number of working hours per week: 45-50 (30-42 hours/week according to the national labour regulation for full time employees)

Planned start and end of the traineeship: from 26 June, 2017 to 15 September, 2017

Working language(s): English

The trainee will receive a financial support for his/her traineeship: yes / no

If yes, amount per month: 1200 USD, resource (company, governmental, state, EU funds, scholarship, etc.): Pallas Athéné Domus Innovationis Foundation

The trainee will receive a contribution in kind for his/her traineeship: yes / no

If yes, please specify (scholarship, accommodation, food, public transport tickets etc.): accommodation (the trainee is expected to contribute to his/her housing in the amount of 300 USD per month)
