Dear Sir,

RE: Andras Kedves

Andras attended St James's Hospital as a Hungarian Erasmus student from 4 September 2017 to 1 December 2017.

Andras was always well presented and punctual. He was enthusiastic in the different departments he went to. He went to different areas within the radiology department, but he enjoyed MRI, PET/CT and Nuclear Medicine the most. In the time he was with us he was absent for seven(7) days.

I wish Andras all the best with his future career.

If you need any further information, please contact me.

Yours Sincerely,

Maurisha Moffat
