Dear all,

This is to let you know that your proposal of presentation during one of the open sessions at DeepLearn 2019 has been accepted.

Please notice:

- The duration is 5 minutes sharp. This will be strictly enforced.
- You are expected to make a .pdf presentation. There will not be questions. No poster required.
- Please come to the session with a USB stick 10 minutes before the beginning in order to upload the file.
- A certificate of presentation will be provided.
