Dear Prof./Dr. Patrik Reizinger,

Thank you for submitting your manuscript to LOD 2019.
We are pleased to inform you that your paper entitled

"Stochastic Weight Matrix-based Regularization Methods for Deep Neural Networks",

paper number 35, submitted to LOD 2019, has been ACCEPTED as FULL PAPER for presentation at the conference and inclusion in the Springer LNCS Proceedings, congratulations!

1) After careful consideration, we feel that your manuscript should be revised to address the reviews' comments. Below, you will find attached the reports of the reviewers. Please consider the reviewers' comments carefully when preparing the final version of your paper.

2) Before uploading (via the EasyChair Conference System <https://www.easychair.org/account/signin.cgi>) you should proofread your manuscript very closely for mistakes and grammatical errors.

3) The camera-ready version must follow the Springer LNCS guidelines with a *12 PAGES LIMIT*.

Please download LNCS Author Instructions.pdf

ftp://ftp.springernature.com/cs-proceeding/lncs/LNCS-Springer_Copyright_Form_HD.pdf

4) In addition, when submitting (via the EasyChair Conference System <https://www.easychair.org/account/signin.cgi>) your revision MUST include a *rebuttal letter* that responds to *EACH POINT* brought up by the reviewers.
This letter should be uploaded as a 'Response to Reviewers' .pdf file.

5) The following three files

- I) a .zip file of the camera-ready copy,
 - II) a .pdf file of the rebuttal letter and
 - III) a .pdf file of the signed Springer LNCS copyright form of your paper
- are required *before June 30, 2019*.

6) Please login to the EasyChair Conference Systems
<https://www.easychair.org/account/signin.cgi> and upload the signed copyright form.

In the signed copyright form:

ftp://ftp.springernature.com/cs-proceeding/lncs/LNCS-Springer_Copyright_Form_HD.pdf

you should write:

Title of the Book or Conference Name: The 5th International Conference on machine Learning, Optimization and Data science - LOD 2019

Volume Editors: Giuseppe Nicosia, Panos Pardalos, Giovanni Giuffrida, Renato Umeton, Vincenzo Sciacca.

You can submit a unique compressed archive of 3 files:

- I) a .zip file of the camera-ready copy (including all the source files, images, bib files, etc.)
- II) a .pdf file of the rebuttal letter and
- III) a .pdf file of the signed Springer LNCS copyright form.

7) *Before June 30 2019 *, one of the authors of the paper must have registered to the conference.

8) Registration

For each accepted paper at least one regular registration as presenting author is required, so you cannot register for more than one paper/abstract.

9) Authors of accepted papers need to register *within June 30 2019* to ensure publication and scheduling of their paper in the program (at least one author).

10) VISA

If that's about your case, you need a valid passport to enter Italy. It is highly recommended that passports have at least six months validity remaining after your intended date of departure from your travel destination. A visa is not required for citizens of EU, USA, Canada, Australia, Japan, and several other countries: please, check your visa requirements at

<http://vistoperitalia.esteri.it/home/en>

Visitors who need a visa should apply for a standard Schengen visa. If you need a visa, please, apply as soon as possible.

11) Accommodation at the Certosa di Pontignano:

All the participants *must book their accommodation at the Certosa di Pontignano*:

<https://lod2019.icas.xyz/accommodation/>

12) Please note that any delay in sending your camera-ready version or registering to the conference may prevent the inclusion of your paper in the pre-proceedings. Note that the technical details regarding the presentation at the conference will be sent to you later.

Congratulations again for your excellent work!
