Dear Authors,

My name is Vijaya Kumar.S and I am the project manager at Scientific Publishing Services in Chennai, India, who will be handling the production of the book, Machine Learning, Optimization, and Data Science, on behalf of Springer. I will be your main production contact and will oversee the production of the text of your chapter from manuscript to final print and online files.

We refer to your paper "Stochastic Weight Matrix-based Regularization Methods for Deep Neural Networks", due to appear in Volume 11943 of the Lecture Notes in Computer Science series. The files for this volume have been sent to the typesetters and on November 29, 2019, a proof of your paper will be made available to you via a web interface. You will be alerted to this via e-mail and will be given 72 hours to check your paper. Please check your email, the two days before/after the date indicated above, as the schedule may change slightly.

I look forward to working with you on the production of this book. Please feel free to contact me if you have any questions or concerns.

Best wishes, Vijaya Kumar.S Springer Project Coordinator (Books) Books Production ---
