PAYMENT INFORMATION:

After receiving your payment we will send a proforma invoice for your attention. Please note, we can only state the name of the bank account holder on the proforma invoices. If the name of the bank account holder is different from the name of the sponsor or representative who covers the expenses, we will send the invoice with the name of the bank account holder to follow the Hungarian Accounting Rules. We ask for your kind understanding on this matter. We will send the final invoice after the event by regular post. Please note, that as per the new legislation of taxes in Hungary, you need to pay the tax of the food and beverages services separately which we will include in your participation fee and state on your invoice.

11th Colloquium
on the
Qualitative Theory of Differential Equations

June 17–21, 2019, Bolyai Institute, University of Szeged, Hungary

Please note that we are not responsible for the caused bank transfer costs in case of transfer from abroad!

In case you choose “credit form” as a method of payment, you authorize “Régió-10” Kft. to charge your credit card for payment of the services. The form is for a one-time charge and destroyed after 72 hours. If “Régió-10” Kft. is unable to process your payment you will be responsible for an alternate payment arrangement and any resulting processing fees.

CANCELLATIONS:

Please kindly note that we can accept amendments and cancellations only in written form by e-mail or official letter.

Cancellation and amendments of registration and accommodation before 15 May 2019 – no amount will be charged.

Cancellation and amendments of registration and accommodation after 15 May 2019 – full cost of registration and accommodation will be charged per each.

In case of no show – full cost of registration, accommodation and the cost of all food and beverages will be charged.

In case of double or other over payments we transfer the amount after the conference. Please note that we are not responsible for the caused bank transfer costs therefore we deduct it before fulfilling the transfer.
