

19th of February 2024

Groningen, The Netherlands

Dear Attila Tamás György,

Once again, I would like to congratulate you on your successful abstract submission! This letter is an official confirmation that your abstract Investigation of protein-protein interactions in the pathogenesis of colorectal and prostate cancer using artificial intelligence has been accepted to be presented at ISCOMS 2024 in **Oral Session II - Thursday 6th of June - 14.00h-15.25h**.

On behalf of the whole ISCOMS Organising Committee, I would like to welcome you to the 31 st edition of ISCOMS. We hope that the congress will inspire you to further build on your research and that your findings will contribute to society in the future. Please do not forget to register yourself as a presenting participant. You can register by using the personal registration link we will send you by e-mail. The registration form has been opened today. To receive the required documents, make sure to complete your registration and payment **before the 25th of February, 23:59 GMT+1**.

I would like to wish you luck with the registration procedures, as well as all the preparations for the upcoming congress. Please do not hesitate to contact us with any questions or concerns. You can do this by emailing us (iscoms@umcg.nl).

Yours sincerely,

Frederique Schimmel
