Message from PaperPlaza Conference Manuscript Management System

Message originated by Tamas Insperger

Dear Dr. Tamas Kalmar-Nagy

It is our pleasure to inform you that the paper

No. 52: A Nonlinear Delay-Differential Equation with Harmonic Excitation; János Lelkes, Tamas Kalmar-Nagy*

has been accepted for presentation at the 14th IFAC Workshop on Time Delay Systems that will be held in Budapest, Hungary, June 28-30, 2018. With this email, we are also sending you important information regarding your paper and the workshop. Reviewers' comments and the associate editor's summary for your manuscript are attached. Please take into account the comments of the reviewers and associate editor's summary in preparing your final manuscript.

The advance program of the event will be available by May 31, 2018, on the workshop Website

<http://www.congressline.hu/tds2018/>

Please note that the advance program is subject to change, the date and time of your presentation will be fixed when we announce the final program by June 8, 2018.

Acceptance of your paper is made with the understanding that at least one author will attend the Workshop to present the paper. In the event that you or a co-author cannot attend the Workshop, please let us know as soon as possible. The Workshop policy requires that at least one author of a manuscript pays a registration fee before the final paper can be uploaded. Note that one full registration enables to upload two final papers, whereas one student registration enables to upload one final paper. In addition, please note that the final form of contributed papers should not exceed 6 pages.

Submission of final papers must be completed through PaperPlaza between April 13 and the final submission deadline of May 25. At the time of final submission, please make any required changes to the abstract, the author list (including author affiliations), and the title of the paper. This information should be carefully entered as it will be used without further changes for the final program and book of abstracts. Instructions regarding registration and payment are available at the workshop Website. Authors who require an official acceptance letter for obtaining visa for Hungary should directly contact Program Editor Tamas Insperger (insperger@mm.bme.hu).

Congratulations on the acceptance of your manuscript, thank

you for helping us achieve a high-quality technical program, and we look forward to seeing you in Istanbul!

Sincerely,

On behalf of Organizing Committee

Tamas Insperger, Program Editor, IFAC TDS 2018

Final submission deadline May 25, 2018

Decision: Accepted as Contributed Paper

Submission information

Authors and title:

János Lelkes, Tamas Kalmar-Nagy*
A Nonlinear Delay-Differential Equation with Harmonic Excitation

Conference: 14th IFAC Workshop on Time Delay Systems
Submission number: 52
