To Whom It May Concern:

Please be advised that András György Szanthoffer is an active member in good standing of The Combustion Institute. His membership is valid through November 2023 and dates back to November 2018. Our membership includes nationally and internationally known researchers and experts in the field of combustion. Szanthoffer is an active member in the USA Western States Section of The Combustion Institute.

The Institute is an educational non-profit, international, scientific society whose purpose is to promote and disseminate research in combustion science. This purpose is carried out by the members of The Institute who take an active role in planning The Institute's events. Because of our elite membership, The Combustion Institute enjoys worldwide recognition as the premier organization in the field of combustion.

Regards,

Renee Tassari

Executive Administrator

The Combustion Institute
