The scope of studies are measured in credits (cr) are given in original scope. One ECTS credit refers to 26 hours of full-time work by the student.

Scale of grades: 5 = Excellent, 4 = Very good, 3 = Good, 2 = Very satisfactory, 1 = Satisfactory, 0 = Failed and H = Passed.

The knowledge in Finnish or Swedish as defined in legislation is rated as H (= Good) or T (= Satisfactory).

All of the courses completed by the student have been taught in English.
