Dear Levente Bajczi,

Thank you for applying to the Cornell, Maryland, Max Planck Pre-doctoral School 2022. After carefully reviewing your application, we are very happy to inform you that you have been selected to attend the school. Congratulations!

To confirm that you remain interested in attending the school, please fill out the following questionnaire by March 25, 2022. If you do not do so, we may give your place to a candidate on our waiting list.

Link to questionnaire: <https://forms.gle/ZztP92QiPFiDfQAN8>

Please note again that the dates of the school are August 1 - 6, 2022 (Monday-Saturday). The school will provide shared accommodation from July 31 afternoon to August 7 morning, and meals for this period.

We ask you to make your own travel bookings to Saarbruecken main station. If your trip requires air travel, we recommend that you fly into Frankfurt airport (FRA) and take the train from the terminal. Please find attached some hints for booking your travel by train. You will receive a travel stipend of up to EUR 400 which should be sufficient to cover your round-trip travel from your country of residence to Saarbruecken. Please don't delay, as rates may increase. Please note that you are responsible for any travel expenses in excess of this stipend. We will send you details of the reimbursement process in some time. Please retain all receipts! Please note that reimbursements might be made after the summer school has ended (this depends on the funding source; we have no control over it).

Please plan to arrive in Saarbruecken no later than July 31 and leave Saarbruecken no earlier than August 7. Shared accommodation and meals will be provided at no cost to you, starting with dinner on Sunday, July 31 and ending with breakfast on Sunday, Aug 7. You are welcome to extend your trip at your own expense (flights arriving or departing a few days earlier or later can also be reimbursed – before booking, please confirm by sending an email to cmmrs@mpi-sws.org). Upon booking your travel, please make sure that you arrive in Saarbruecken between 2 p.m. and 10 p.m., as a check-in after 10 p.m. will not be possible.

We look forward to welcoming you in Saarbruecken.

The Organizing Team

Cornell, Maryland, Max Planck Pre-doctoral Research School 2022
