

*Certificate of SASA 2020 Conference Acceptance and Membership
Eszter Ozsváth*

This is to certify that Eszter Ozsváth attended the 21st Annual Conference of the Scottish Association for the Study of America (SASA) at the University of Dundee on 29 February 2020. Eszter's paper was accepted on the conference programme and she delivered her research paper: "Justice Through Spray Paint: The Representation of Homelessness in Contemporary North American Street Art" at the event.

The association was grateful to receive Eszter's abstract and paper – having been overwhelmed by the number of proposals we received, we were very pleased with her submission. We were delighted her paper was accepted to the conference, and that she attended and presented her research in Dundee. Her attendance and presentation at the conference also granted Eszter membership of SASA and she is now a member of the association.

This certificate is proof of Eszter's attendance at SASA 2020 and membership of SASA, and is produced on behalf of the SASA 2020 Organising Committee and SASA Committee.
