TRAINING CERTIFICATE

To whom it may concern

I certify that Ferenc Balázs Farkas has made an Erasmus+ internship from October 16, 2017 to April 13, 2018 in the Integrative Neurobiology of Cholinergic Systems (Neurobiologie Intégratif des Systèmes Cholinergiques - NISC) of the Institut Pasteur. The scientific subject of the internship was "Microbes & Brain - Role of Human Autoantibodies Against the Nicotinic Acetylcholine Receptors in Pathology" and the head of the Unit, Dr Uwe Maskos, was his direct supervisor along the internship.

Best regards,

Institut Pasteur
